(b) if so, details thereof?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN)

(a)&(b): The draft Master Plan for Delhi 2021 envisages resettlement of slum & JJ dwellers in built-up accommodation, adopting, to the extent possible, the concept of land as a resource, to develop such accommodation with private sector participation.

Government has accorded in principle approval to DDA to take up a pilot project with private sector participation at Tehkhand for construction of multi-storeyed tenements for slum dwellers. An area of about 16 hectares of land has been identified for the purpose, for providing about 3200 EWS tenements for relocation of slum dwellers.
